

SINAAPSE

Capability Statement · AI consulting, automation and training · October 2026

CORE SERVICES

- AI readiness assessments, workflow reviews and project planning
- Reporting, data workflows and scoped automation
- AI training, adoption and responsible use with human review

WHO WE OFFER SERVICES TO

We offer services to federal, provincial and territorial governments, Inuit and Indigenous organizations, and businesses.

HOW WE WORK

Request a free discovery call at info@sinaapse.com; we will reply to arrange a time. After the conversation, we can provide a written scope and quote where appropriate. Scope, price, deliverables and safeguards are agreed in writing before work begins. We use Canadian data residency where possible.
